

## **2024 Demonstration Station Sessions – Booth 433**

### **Thursday, December 5**

11:15 a.m. – 11:45 a.m. - **Assessing Expressive Language, Receptive Language, and Social Communication/Play in Early Child Development, presented by Academic Therapy Publications, Inc.**  
See two new early language development assessments. The RESCA-ELD administers play-based items to younger children and plate-based items to preschool children. The ELCI provides normative scores using reported observations from adults who know the child. This pairing offers a comprehensive picture of skills, even those traditionally hard to assess.

1:30 p.m. – 2:00 p.m. - **The Magic of PRC-Salttillo, presented by PRC-Salttillo**  
Join us for this fun, hands-on, and engaging session that demonstrates the magic of PRC-Salttillo! Learn more about our solutions and the magic they can create in your clients' lives.

3:15 p.m. – 3:45 p.m. – **A New Way to Manage Oral Secretion, presented by SWIK Medical Solutions**  
See SWIK in action! SWIK is a comfortable, continuous, and hands-free solution for oral secretion management. The SWIK solution is intended to remove secretions before they have a chance to penetrate the airway for both in-patients and out-patients. Join us for a hands-on demonstration and learn how SWIK can help your patient population and their caregivers.
