The ASHA Convention is the largest in-person gathering and most comprehensive education event in the world for speech, language and hearing professionals!

Learn about the latest research, expand your clinical skills and techniques, find new products and resources, and network with colleagues—all in only three days. We invite you to IMAGINE MORE with us in Orlando!

Who attends the ASHA Convention?

You’ll be among 15,000 communication sciences and disorders professionals—audiologists, speech-language pathologists, researchers, audiology and speech-language pathology assistants, related professionals, students, and commercial partners—everyone is welcome!

Attendees work in a variety of settings such as schools, health care, colleges and universities, private practice and more. They are clinical service providers, professors, researchers, administrators, supervisors and assistants.

“Some of the talks I attended were amazing and I came away with new ideas and ways to implement them immediately.”

“I thought the quality of the audiology courses was very good.”

“Poster sessions and the exhibit hall were great!”

90% of ASHA Convention attendees would recommend the event to a peer.

89% of attendees were satisfied or very satisfied with the quality of education sessions offered at the Convention.
